School Goals

ECS strives to promote student success by offering a safe and healthy learning environment which nurtures, inspires, and challenges all students through our SOAR philosophy. Through our SOAR behavior and attendance initiatives, we are fostering a culture of hard work, perseverance, and high expectations essential for developing well-rounded and successful individuals. ECS strives to graduate 100% of its students and develop a post-secondary plan, increase math and reading levels by 15% annually, and increase our attendance rate to 90%.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

ECS strives to create an environment that is welcoming, safe, inclusive and inspiring for all students, parents/guardians, and the community. We host monthly reading sessions for family and friends to read with students. ECS’s Booster Club supports athletic and academic events, we are developing local partnerships in health services and business and colleges, and community members celebrate our students’ successes at monthly awards ceremonies. ECS continues to build on K-12 social and emotional learning curriculum and expand our restorative practices from high school to k-12 to foster a healthy climate for all students and staff.
