

# *Hey there Eddyville families!*

The drama class has been working really hard on their play “Cinderella and the Candy Kingdom”. This is a sweet retelling of the Cinderella tale you’ve been hearing since you were little! Filled with candy puns, colorful characters, and comedy, Cinderella and the Candy Kingdom is fun for all ages. Everyone in the kingdom has a sweet tooth, but not everyone.. the poor country girl Cinderella doesn’t really enjoy sweets. She is neglected by her father, a dentist who is always too busy with house calls, over worked by her bitter stepmother, and teased and tormented by her two sticky stepsisters. Meanwhile, Queen Caramel, (the queen of the candy Kingdom), is throwing a “Gum Ball” for her son Prince Reese, to find him a bride. Alas the Prince is sour on the idea and is counting on his best friend Hershey to get him out of it! With the whole kingdom a-twizzler, Cinderella’s Tooth Fairy Godmother shows up with her magical little helpers, The peeps, and arranges for Cinderella to attend the ball. If Cinderella does go to the ball, maybe she will find a charming prince who doesn’t like sweets either?

**When is it:** Thursday May 24th @ 6pm. This event will take place at Eddyville Charter School multipurpose room. This play is free admission, but donations are always accepted. ツ
