20-21 Return to CDL: Elementary School

Like at the beginning of the year, Comprehensive Distance Learning is a mix of teacher live instruction through videos/zoom and class assignments and discussion through Canvas (K-4) or Google Classroom (5). Attendance is taken every day and work is graded. Exact Path students will remain on Exact Path.

Attendance:

Just as in-person, students will "go to" class on Zoom everyday. Should tech issues arise, please contact the school. Students will need to interact with their class/teacher in some way to count as positive attendance for the day within a 24 hour time period (8am-8am) if not able to be on Zoom.

Office Hours:

All teachers are available to assist students, provide virtual small group help, answer questions etc. until 4:30 each day. Please note that teachers may be teaching classes virtually per the class schedule above.
