

**Monday, Nov. 30, 2020 – Thursday, December 17, 2020**

- Wake up early enough to eat a healthy breakfast, get dressed and prepare your work station so that you can present in a respectful fashion. Dress code, signage and home items need to be school appropriate and not pose a threat to anyone who may view.
- Log in to your tech. device by 8:55am.
- Class begins at 9:00am. Zoom and Canvas links are all posted on your teacher’s web page within our school website: [www.eddyvillecharterschool.org](http://www.eddyvillecharterschool.org)
  - Your log-in credentials were given to you by your teacher. Please email them if you need assistance.
- Please follow the schedule sent out/sent home/posted on our website for each day, Monday through Thursday. Recall, this is exactly what we did our first month of school when we started in the CDL model.

- Those students who are **enrolled online through Edmentum courseware and exact path** need to continue this instructional model. Nothing has changed for you.

Materials Pick-up is available today. Most kids have everything they need, but we are here until 4:30 today.

Specific Technology questions need to be emailed directly to our Tech. Coordinator:
