Baseball/Softball Field Update

Our field has been re-planted, smoothed out and is looking great! We're hoping to be able to host a home game or two, closer to the end of the season. We've ordered new bases, numbers for the scoreboard and have had panels donated to complete the dugouts. Kevin Rariden fertilized the field and put some lime on it and the softball team was able to practice on it for the first time this week. We are looking at having a field dedication at the end of April or beginning of May....stay tuned!
