Hi families!

The holidays are just around the corner and it's time to start planning for our Holiday Hobby Hour. For those of you who might be unfamiliar, Hobby Hour is an Eddyville tradition where volunteers come together, coupled with some holiday magic to give the kids the opportunity to make a gift for a loved one. There are treats, hot chocolate and sometimes even a guest appearance by Santa.

Here's how you can help. Do you have a craft that you'd love to share? Just want to volunteer your time and be a part of the fun? Have craft materials lying around that you'd like to see used? We can't do this without ALL of these things so let us know how you can help.

This year this event will be held on Dec. 20th. Specific times will be finalized as the event gets closer.

I've been a part of this for four years and it's always an amazing event for everyone involved so let's make it happen!!
