

May News

4th + 5th Grade Engineering

Mr. Bilder's crew showcase their work in 5th grade science, engineering rollercoasters and in 4th grade science, engineering catapults. These classes also recently finished scientific inquiry through home baking projects, which were sampled and appreciated by the office staff.

Summer Learning 2022

Eagle staff have been planning for an amazing 3-week summer school enrichment program. ALL students have access to this FREE structured small group learning, credit recovery and enrichment. Students will be provided with transportation, meals, snacks and instruction as well as 2-3 field trips.

Please register your student for any or all of the following weeks on our website: www.eddyvillecharterschool.org under Info. + Resources.

July 25-28	8:45-2:00
August 1-4	8:45-2:00
August 8-11	8:45-2:00

Elevating Student Voice

ECS secondary students will have an opportunity to begin the ASB/Class Representation leadership component in partnership with our well-established Leadership team.

Grades 6-12 will have class officers, elected this year, to serve their peers' interests as we move forward in the 2022-23 year and beyond. Class elections will take place next week.

ASB applications will be made available to represent the entire student body in partnership with class leaders. ASB has four positions; President, Vice-President, Secretary and Treasurer. Applications are available with a deadline for review on May 26. Approved candidates may begin campaigning May 31 through June 7. Speeches and election

On the home stretch...

Ask any student or staff member how many days are left, and they will quickly respond! Perhaps even down to how many seconds are left. It has been an exhausting, challenging, rewarding and capacity-building past few years. I want to take a moment to recognize the amazing efforts each of you have made and your perseverance through COVID-19 and all it brought to us at Eddyville and in our own lives.

You are such an incredible community and ECS is beyond thankful to be on this team for the journey.

We are all looking forward to a rejuvenating summer with family and friends. While everyone needs a break from the school routine, please remember the importance of staying active, reading and reviewing math facts so we don't lose ground over the next couple months. Eddyville is excited to start strong and fresh in late August and look forward to all the growth and success our Eagles will experience in the coming year.

Upcoming Events

May 25 – 6pm Spring Sports+Senior Awards

May 26 – 2pm Talent Show

May 30 – NO SCHOOL Memorial Day

June 3 – 6pm Class of 2022 Graduation

June 8 – 6pm 8th Grade Promotion

June 9 – Last Day of School FUN DAY
(3:30 dismissal)

June 10 – Teachers Last Day - Grading

June 15 – Board Meeting

will take place on June 7 and our newly elected ASB will be announced on June 8.

Students will use this avenue to help raise funds for school-wide activities, social events, community projects, helping people in need and school reform based on student feedback. Staff leadership for our student leaders include Mrs. Pearson, Mrs. Ulstad, Missy Endicott and Ms. Knudson.

ECS will also join OASC and begin participating in statewide student leadership seminars.

Soaring to Hayward

ECS Head Football Coach, Abe Silvonen, has been selected to coach the 6-man All-Star Football Game and ECS Head Girls Basketball Coach, Josh Russell has been selected to coach the Mountain West Senior Girls All-Star Basketball team.

CTE Programs Join Forces

Photography 1 students, instructed by Mrs. Ulstad, spent the day with Agriculture Business class at the Yaquina Light House and Heritage Garden. Ms. Becker's Agricultural Business class visited Yaquina Head Outstanding Natural area to plant their heritage garden at the Yaquina Lighthouse. The garden is intended to reflect the crops that the original lighthouse keepers propagated and is fenced in at its original location. The class planted 2 varieties of cabbage, broccoli, leeks, onions, and chard. The garden is used as a display for park visitors during the growing season, and all food harvested is donated to the Lincoln County Food Bank in the fall. This trip is part of the continuing partnership between Eddyville Charter School and the Bureau of Land Management, which is now expanding to include Eddyville's newly approved Photography Program of Study. Photography students explored photo settings and techniques around the lighthouse and on the beach.
