

**WELCOME TO MIDDLE SCHOOL MATH!**  
**2021-2022**

My name is Mike Ulstad and I will be your child's math teacher this upcoming year!

**Homework:** Homework will be given most nights. You can find your student's unit assignment sheet in the front of their spiral or on my class website. Homework will be checked in daily (mostly) at the start of each period. Assignments will not be counted missing until the end of unit test. Students are responsible for showing me their late work.

**Grades:** Will be based at 60% on assessments/quizzes and 40% on homework. Homework will be given full credit only if work is shown. Students will have the opportunity to retake assessments (or single pages of assessments) one time, no matter their grade on the test.

**Spiral Notebook:** Your student's spiral notebook will need to go home and come back to school each day. This notebook will include notes from class, as well as homework, which should be clearly labeled.

**Online login:** Use the following information to access your math book, helpful videos, and powerpoint presentations about **EACH** lesson. You'll need this information to access This is an amazing resource if you're struggling with homework!

- Site: *corefocusonmath.com*
- User: *lincoln*
- Password: *lincoln2013*

**Expectations:** In my class, I expect effort and a positive attitude!

**Contact:** Please contact me with any questions or concerns, the best way to reach me is via email at: [Michael.ulstad@lincoln.k12.or.us](mailto:Michael.ulstad@lincoln.k12.or.us)

**Classroom Website:** Students will be put into the Canvas classroom during the first week of school. This is the link to access Canvas:
