

Quarter 2 Updates

Quarter 1 and virtual conferences finished strong thanks to everyone within the ECS school community.

Quarter 2 took off with a few updates from ODE's RSSL guidance as well as systems within ECS.

1. Face shields are no longer an option, except in very limited cases. Face masks and coverings are still provided for our students on campus and buses.
2. ECS is now working closely with Lincoln and Benton County LPHA's in an effort to monitor region safety and the health and safety of our staff and students on site.
3. PM dismissal at 2:30 is for student pick-up or student transports. Bus riders are released at 2:35 to facilitate social distance requirements.
4. Online students in K-8 and K-12 PE are using the accredited Edmentum program under guidance and direction of the classroom teacher. Students are able to access virtual tutor sessions with his/her ECS teacher from 2:30 – 4:30, BY APPOINTMENT.

School pictures were held last month. If you didn't receive an email from Cohen and Park, please contact them for ordering details. Contact: 541-265-5419 or info@cohenandpark.com.

GO EAGLES!

Horticulture and Ag. Courses Take Off

The orchard is being cleaned up and ECS developed a partnership with Lincoln County's Master Gardeners for a pruning lesson in early December. The ECS garden beds and greenhouses are also being cleaned up and prepared for the year ahead. Many thanks to our substitutes, Alan and Ricki, Bob Pearson with his scope & sequence guidance, BLM grant money and ECS students for their dedication and support.

From the Health Center

It is screening season! Vision screening was completed Nov. 9th and it went well with all safety protocols in place. Hearing screening is set for December 8th and the dental screening is still TBA. We will send a Remind when this is scheduled. For ALL up-to-date health guidance, please refer to the "Health Center" on the Eddyville Charter School web page.
