

Eddyville Charter School October 2020

Welcome Back

It has been the most unusual year and I want to thank each of you for your dedication to our students, your patience with the many uncertainties and your teamwork in this time.

After multiple operational blueprints and fluctuating county metrics, we have thankfully been able to open our doors for in-person instruction.

Masks, signage, 6 ft' distance, plexiglass, cohorts and detailed meal and transportation guidelines, while also conducting zoom/virtual class for our online students. To say we are busy is an understatement. Our first two weeks back in class have been amazing! Students and staff are working together to safely connect and learn for the first time in nearly 7 months. Thank you for the continued work and dedication!

New Staff

Please welcome the following new staff to ECS:

Ms. Paula Collins – 1st Grade

October 21 – School Picture Day
School Board Meeting 6pm

October 29 – Noon Dismissal

November 11 – Veterans' Day
NO SCHOOL

Pumpkin Patch is coming to ECS...

On October 15th, a truck and trailer will drop off pumpkins for our elementary kids. Ms. DeHaan recalls this being a highlight of the year for our students. With the travel and large group restrictions due to COVID-19, she has asked her father to bring the pumpkin patch to us.

Each cohort will have this opportunity and celebrate with prepacked Autumn treats.

Thank you, DeHaan Family!

New Programs @ ECS

- ✓ Small Engines
- ✓ Welding
- ✓ 3D Printing
- ✓ Natural Resources
- ✓ Sports Marketing w/ Video Display Engineering

Boys Basketball	2-weeks	11/9 – 11/19
Girls Basketball	2-weeks	11/30 – 12/10

GO EAGLES!

From the Health Center

If your student exhibits the following symptoms, they, along with any other students that reside in the household, will need to go/stay at home. Please see the back page for more information on duration students will need to remain out of school for 10-days or return with a negative COVID test result. While at home, students may access class on Canvas and via Zoom.

Primary (Any of the following symptoms):

Excessive cough, Chills/Fever at or over 100.4 F, Shortness of Breath

Secondary Symptoms (Any two of the following symptoms):

Sore throat	Snotty
Excessive fatigue	nose/congestion
Diarrhea	Body aches
Generally not feeling	Vomiting

For other physical health concerns, please refer to the "Health Center" on the Eddyville Charter School web page, or give us a call! We understand that some of this is confusing!

COVID SAFETY PROTOCOLS...
