Quarantine Information for Families

Eddyville Charter School works hard to ensure continuity of learning, even when students are excluded from on-site learning due to COVID-19 quarantine or isolation.

ECS will create access to keep students engaged through short-term remote instruction until they are able to return to in-person learning. Through the following, students will be counted as present for attendance, engaged in learning, and supported emotionally to create a seamless re-entry and constant care/connection.

Grades K - 5	Grades 6-12
