November 23, 2020

To the Eddyville Charter School Community:

A positive case of COVID-19 was reported the afternoon of November 23, 2020 with a contracted service employee. This is difficult news and we know how much it impacts our community. While we are not able to share personally identifiable information, we care about keeping our community informed.

Here's what we know about the COVID-19 case reported:

- On November 23, a contracted service employee tested positive, we were notified by public health authorities.
- The person is isolated and not in contact with our community as of this same date.
- Those who were in close contact will be notified by the Lincoln County Health Department.

The safety and well-being of our staff and students is our top priority.

The Eddyville Administrative Safety Team has and will be taking the following action steps:

- We have contracted and are working closely with the Local Public Health Authorities for both Lincoln and Benton County.
- We have notified those who may receive a contact call from the Lincoln County Health Department.
- We have enforced additional deep cleaning efforts tonight and these will continue throughout the holiday break.
- We have notified all students and families via this letter, the Remind App and by phone (those who were in any sort of contact with the individual).

Please understand that we are unable to provide any identifying information about the individual.

We will continue in-person instruction at this time and send out an update if instructional models are required to change. As always, remind your student(s) to bring home all technology and books for the holiday break. Please remind your child to wash hands or use hand sanitizer often and keep their masks on to cover both their nose and mouth. Be sure your child's mask is cleaned daily if used, as well.

Thank you for your cooperation and understanding. You are all so appreciated.

ECS Administrative Staff

Stacy Knudson, Superintendent/Principal
Dani Ulstad, Dean of Students/Reading Specialist
Mike Ulstad, Athletic Director
Gus Loomis, Facilities Director
