Halloween Costume Guidelines

October 31, 2018

Halloween is coming up! As always, students are able to dress in costume for the day but will need to follow the following guidelines. We will ask a student to remove their costume/part of their costume if these guidelines are not met (students will need to bring a change of clothes):

- The costume should not disrupt the learning environment.
- No masks and nothing that would make it difficult for school staff to identify the person.
- No weapons or replicas of weapons, weapon-like accessories, or sharp objects.
- Costumes may not be demeaning to any ethnic group, race, religion, nationality, disabilities, gender or individual at the school.
- Costumes may not depict gangs, terrorist organizations, horror characters, graphic violence, any type of blood or gore, or be scary in nature.
- Costumes may not show obscene materials or prohibited substances or offensive language.
- Do not wear costumes that are disruptive due to great size, flashing lights, or sounds.
- Costumes should be tasteful. Underclothing, lingerie, swim suits and anything that does not sufficiently cover a student's body is not appropriate.
- Costumes must not impair a student's vision or movement or prevent students from dressing out for P.E.
