Parents: We are in the process of creating bus groups using the Remind App. This will allow us to quickly text/email parents announcements as we get them from the bus company. You will have the opportunity to accept or opt out by following the instructions on the text. If you do not get a welcome text/email by next week, please call us to change the number we have on file.

Hopefully this will help when receiving those last minute bus changes/delays!

The Word of the Month is SELFLESSNESS!
